## Transition Words/Phrases

Business communication without transition words or phrases is a list with no connection. For simple and clear business writing, use a well-placed transition word or phrase.

This list made its debut at the post, <u>Beyond 120 Transition Words and Phrases.</u>

### Below is a small sample of transition words/phrases by function.

| Add Information  |  |  |  |  |
|--|--|--|--|--|
| Additionally, again, also, and, and then, as well                                  |  |  |  |  |
| Besides, but   |  |  |  |  |
| Finally, further, furthermore  |  |  |  |  |
| In addition, in fact   |  |  |  |  |
| Moreover, much less  |  |  |  |  |
| Nor, not only  |  |  |  |  |
| Тоо  |  |  |  |  |
| What's more  |  |  |  |  |
| EXAMPLES   |  |  |  |  |
| The product must be delivered today. In addition, we require a signature verifying |  |  |  |  |
| receipt.   |  |  |  |  |
| Not only are the conclusions misleading, but the report also has questionable      |  |  |  |  |
| sources.   |  |  |  |  |
| Cause  |  |  |  |  |
| Because, being that  |  |  |  |  |
| Due to   |  |  |  |  |
| For that reason  |  |  |  |  |
| Inasmuch, in light of the fact, in that  |  |  |  |  |
| Owing to the fact  |  |  |  |  |
| Seeing that  |  |  |  |  |
| EXAMPLES   |  |  |  |  |
| Because the company did not perform quality control, the product failed to         |  |  |  |  |
| function properly.   |  |  |  |  |
| <b>Due to</b> the loss of hours, the project did not meet its targeted deadline.   |  |  |  |  |

You have missed several deadlines. **For that reason**, we are terminating our contract.

| <b>•</b> • • • • |          | 10   |      |
|------------------|----------|------|------|
| Con              | nparison | /Con | TOST |
|                  |          |      |      |

After all, although true

But, by comparison, by the same token

Compared to, conversely

However

In contrast, instead, in the same way, in a similar fashion, instead

Likewise

Meanwhile

Otherwise

Similarly

**EXAMPLES** 

The company did not use that shipping carrier. **Instead**, it used its competitor.

The company needs better customer service. **Otherwise**, it may lose more customers.

Establish Time/Sequence

After, after awhile (a few minutes), afterwards, always, and then, at this point Before this (then)

Concurrently, consequently

During

Earlier

Finally, first (second, third), formerly, following

Immediately, in the meantime

Later

Meanwhile

Next, never, now

Once

Previously

Simultaneously, soon, subsequently

Then, thereafter

EXAMPLES

**Earlier** in the day, the carrier experienced some delays. **However**, the shipments were delivered on time.

**First**, set up a time for a call. **Next**, send out an email to the team. **Then** let me know how many will be on the call.

We are working on the errors. **Meanwhile**, Adam is working on the source of the problem.
